

Re. Support of HB 6187, an act concerning court proceedings and the protection of animals

And

Support of SB 1128, an act concerning the use of accelerated rehabilitation in the case of animal abuse

Dear Co-Chair Colman, Co-Chair Tong, and the Honorable Members of the Judiciary Committee,

Please accept this testimony in **Support of HB 6187**, which would establish a process for appointing an advocate for an animal that is the subject of a criminal court proceeding, and in **Support of SB 1128**, which would prevent persons charged with committing animal abuse from using accelerated rehabilitation.

HB 6187 will help to facilitate animal cruelty prosecutions by ensuring appropriate representation for the victims.

SB 1128 will help to ensure that violence toward animals is taken seriously and promotes appropriately severe penalties as well as a record of these crimes in cases where people are responsible for causing animals to suffer.

Acts of animal cruelty are linked to violence against people, property crimes and drug and disorderly conduct offenses. I am sure you are aware of the fact that most serial killers started torturing animals and got away with it and progressed to doing great harm to people.

Thank you in advance for supporting these bills.

Sincerely,
Henry and Ingrid Casas
